### **Principal's Message**

Oxford School is located on just one acre, and its small size has created a tight-knit community where children feel very nurtured. Our talented staff is dedicated to the academic achievement, social and emotional growth, and general health of every child. In addition to the regular classroom curriculum, students have classes in PE, music, gardening, science, art, and a weekly library visit.

We have very strong parent and community involvement in our classrooms and in the school. Our active PTA sponsors community events and fundraisers. Parent and community volunteers work in the classroom, garden, cafeteria, and schoolyard.

We have a strong intervention team that meets weekly to look at the unique needs of every individual student in the school. We provide services to many students with help from our resource teachers, literacy teacher, speech pathologist, counselors, community tutors, and more.

Principal

## About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents and community members should contact the school at (510) 644-6300.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

\* High-poverty schools are defined as those schools with student eligibility of approximately 40 percent or more in the free and reduced price meals program. Low-poverty schools are those with student eligibility of approximately 39 percent or less in the free and reduced price meals program.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

Williams legislation calls for the schools to have enough books in core classes for all students and asks districts to reveal whether those books are presenting information outlined in the California content standards. Textbook materials are adopted by the school board following a rotating adoption cycle for subject specific state adopted textbooks and instructional materials.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The district administers a scheduled maintenance program to ensure that all classrooms and facilities are well maintained and in good repair. A work order process alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

Safety issues are the top priority for Maintenance and Operations. District maintenance supervisors inspect school sites continually and complete repairs in a timely manner. They use a work order process to ensure an efficient, prioritized repair process. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

Date of Last Inspection: December 14, 2010

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

\* "N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement

Parents make up half of our SGC and work closely with the principal and staff to develop and monitor the progress of the Site Plan for Student Achievement. Parents volunteer in classrooms, in the yard and office, and in the cafeteria to enhance student services and to make sure everyone gets the one-on-one attention they need to thrive. Parents donate monthly to our enrichment fund to support the school garden, counseling program, art classes, and more. The PTA holds monthly meetings and supports classroom and school-wide events.

### State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Oxford Elementary School was constructed in 1966 and covers 1.29 acres. The campus was completely remodeled in the late 1990s. Facilities include 15 permanent classrooms, one library, two staff rooms, one multipurpose room, two teacher resource rooms, a counseling room, and a reading intervention room. The facility strongly supports teaching and learning through its ample classroom and playground space.

The safety of students and staff is our primary concern. A variety of people visit the campus to volunteer in the classroom and participate in school events. During lunch, recesses, and before-and-after school, staff members, administrators, and safety officers supervise students and school grounds to ensure an orderly, safe environment. The school is always fully compliant with all rules, laws, and regulations concerning state earthquake standards and hazardous materials. Earthquake and fire drills are held monthly, and intruder drills are held at least once a year.

Safety procedures, including elements of our Comprehensive Safe School Plan, are reviewed with school and district staff at the start of each school year. The plan was last updated and reviewed with school staff in January 2014.

Suspensions and Expulsions			
School	11-12	12-13	13-14
Suspensions Rate	0.6	2.1	0.0
Expulsions Rate	0.0	0.0	0.0
District	11-12	12-13	13-14
Suspensions Rate	4.8	3.9	3.0
Expulsions Rate	0.1	0.0	0.1
State	11-12	12-13	13-14
Suspensions Rate	5.7	5.1	4.4
Expulsions Rate	0.1	0.1	0.1

\* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment x 100.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

#### Types of Services Funded at Oxford Elementary School

We use our state and federal money to pay for our kindergarten aides, and ELD tutor. We use our local parcel tax money to pay for our Literacy Intervention/Reading Recovery teachers, volunteer coordinator, and counseling support. The PTA raises \$40,000 a year through fundraisers and donations that support assemblies, field trips, and teacher stipends for classroom expenses. Our Fundraising Committee writes grant proposals for special programs such as our Reading Coach program. Parent donations pay for our PE teacher, kindergarten music, art/dance, and the recess coordinator.

#### Professional Development provided for Teachers at Oxford Elementary School

Administrators and teachers take time each year to improve their teaching skills and to extend their knowledge of the subjects they teach. During the last three school-years, each school in the Berkeley Unified School District dedicated 3 days annually for teacher and administrator professional development. During 2013-14, 100% of all Berkeley K-5 teachers and site administrators participated in four-days of Common Core State Standards Professional Development for their K-5 classrooms. A site literacy coach provides ongoing support for teachers to improve literacy instruction to students. A math teacher-leader at the site participates in monthly District trainings, and supports math professional development and collaboration at the site. New teachers participate in a rigorous District BTSA program. Teacher-initiated professional development is supported through local funds earmarked for this purpose.
