## INDEPENDENT AUDITOR'S REPORT

Board of Trustees  
Berkeley Unified School District  
Berkeley, California

**Report on the Financial Statements**

We have audited the accompanying financial statements of Berkeley Unified School District (the "District") Measure E1, also referred to as "Berkeley Public Schools Educational Excellence Act" activity included in the General Fund of the District ("Measure E1"), as of and for the year ended June 30, 2020, and the related notes to the financial statements as listed in the table of contents.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

---

(Continued)

## **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Berkeley Unified School District's Measure E1 activity included in the General Fund of the District as of June 30, 2020, and the changes in financial position thereof for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

## **Emphasis of Matter**

As discussed in Note 1, the financial statements present only the financial activity and balances of Measure E1 only, and do not purport to, and do not, present fairly the financial position of Berkeley Unified School District as of June 30, 2020, the changes in its financial position, or, where applicable, its cash flows, for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

## **Other Matter**

Our audit was conducted for the purpose of forming an opinion on the Measure E1 financial statements as a whole. The supplementary combining information is presented for purposes of additional analysis, rather than to present the financial position and results of operations of the individual resources and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain other procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

## **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated May 20, 2022 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters for the Measure E1 activity. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Berkeley Unified School District's internal control over financial reporting or on compliance for the Measure E1 activity. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance for the Measure E1 activity.

BERKELEY UNIFIED SCHOOL DISTRICT  
MEASURE E1 2016  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2020

---

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accounting policies of Berkeley Unified School District (the “District”) conform to accounting principles generally accepted in the United States of America as applicable to governments and to general practices within California School Districts. The District accounts for its financial transactions in accordance with policies and procedures of the Department of Education's *California School Accounting Manual*. The activities of the Measure E1 are recorded along with other activities in the District's General Fund. The following is a summary of the more significant accounting policies:

Financial Reporting Entity: The financial statements include the financial activity of Measure E1 activity only, which are accounted for within a sub-fund of the District's General Fund. These financial statements are not intended to present the financial position and results of operations of Berkeley Unified School District as a whole, in conformity with accounting principles generally accepted in the United States of America. Measure E1 was approved to support the quality of public education. The funds raised are to be used for reducing class sizes, supporting music programs, parent outreach, program evaluation and teacher training, school libraries, as well as reimbursement of administration costs incurred by Berkeley Unified School District. The Measure E1 activity is generated from a separate property tax levy of \$.37 cents per square foot for taxable structures in the boundaries of the District.

Basis of Accounting: Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of measurement made, regardless of the measurement focus applied.

The financial statements of Measure E1 are accounted for using the flow of current financial resources measurement focus and the modified accrual basis of accounting. Using this measurement focus, only current assets and current liabilities are included in the balance sheet. Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current fiscal period. Expenditures are recognized in the accounting period in which the liability is incurred.

Receivables: Receivables are made up principally of amounts due from the County of Alameda for Measure E1 parcel taxes. The District has determined that no allowance for doubtful accounts was needed as of June 30, 2020.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

Interfund Activity: Transactions between funds of the District are recorded as interfund transfers. Any unpaid balances at year-end, as a result of such transactions, are shown as due to and due from other funds. During the year ended June 30, 2020, the District transferred \$1,435,575 from Measure E1 to the General Fund for indirect cost support, as authorized under Measure E1. At June 30, 2020, \$2,587,771 was outstanding as a payable to the General Fund.

---

(Continued)

BERKELEY UNIFIED SCHOOL DISTRICT  
MEASURE E1 2016  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2020

---

**NOTE 2 – CASH AND INVESTMENTS**

Cash and investments held on behalf of Measure E1 consist of deposits in the County of Alameda Treasury.

Cash in County Treasury: In accordance with Education Code Section 41001, the District maintains substantially all of its cash in the Alameda County Treasury. The County pools and invests the cash. These pooled funds are carried at cost which approximates fair value. Interest earned is deposited monthly into participating funds. Any investment losses are proportionately shared by all funds in the pool. Because the District's deposits are maintained in a recognized pooled investment fund under the care of a third party and the District's share of the pool does not consist of specific, identifiable investment securities owned by the District, no disclosure of the individual deposits and investments or related custodial credit risk classifications is required. In accordance with applicable state laws, the Alameda County Treasurer may invest in derivative securities. However, at June 30, 2020, the Alameda County Treasurer has represented that the Treasurer's pooled investment fund contained no derivatives or other investments with similar risk profiles.

Interest Rate Risk: The District does not have a formal investment policy that limits cash and investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. At June 30, 2020, the District had no significant interest rate risk related to cash and investments held.

Credit Risk: The District does not have a formal investment policy that limits its investment choices other than the limitations of state law.

Concentration of Credit Risk: The District does not place limits on the amount it may invest in any one issuer. At June 30, 2020, the District had no concentration of credit risk.

**NOTE 3 – GENERAL FUND CONTRIBUTION**

During the year ended June 30, 2020, as permitted by the Measure E1 ballot language, \$15,041,036 of Measure E1 parcel tax revenue was transferred to the District's General Fund, for Class Size Reduction and release time for music purposes.

**NOTE 4 – FUND BALANCE CLASSIFICATION**

Governmental Accounting Standards Board Codification Sections 1300 and 1800, *Fund Balance Reporting and Governmental Fund Type Definitions* (GASB Cod. Sec. 1300 and 1800) implements a five-tier fund balance classification hierarchy that depicts the extent to which a government is bound by spending constraints imposed on the use of its resources. The five classifications are nonspendable, restricted, committed, assigned and unassigned. The fund balance of Measure E1 is restricted for the purposes as authorized by the parcel tax measure.

The restricted fund balance classification reflects amounts subject to externally imposed and legally enforceable constraints. Such constraints may be imposed by creditors, grantors, contributors, or laws or regulations of other governments, or may be imposed by law through constitutional provisions or enabling legislation.

---

(Continued)

BERKELEY UNIFIED SCHOOL DISTRICT  
MEASURE E1 2016  
NOTES TO FINANCIAL STATEMENTS  
June 30, 2020

---

**NOTE 4 – FUND BALANCE CLASSIFICATION (Continued)**

Fund Balance Policy: The District has an expenditure policy relating to fund balances. For purposes of fund balance classifications, expenditures are to be spent from restricted fund balances first, followed in order by committed fund balances (if any), assigned fund balances and lastly unassigned fund balances.

While GASB Cod. Sec. 1300 and 1800 do not require districts to establish a minimum fund balance policy or a stabilization arrangement, GASB Cod. Sec. 1300 and 1800 do require the disclosure of a minimum fund balance policy and stabilization arrangements, if they have been adopted by the Board of Trustees. At June 30, 2020, the District has not established a minimum fund balance policy nor has it established a stabilization arrangement.

**NOTE 5 – COVID-19 IMPACT**

In December 2019, a novel strain of coronavirus surfaced (COVID-19) and spread around the world, with resulting business and social disruption. In response to the pandemic and in compliance with various state and local ordinances, the District closed physical campuses and transitioned to a distance learning model. On March 13, 2020, the Governor of California issued Executive Order N-26 – 20, guaranteeing state funding to support the continued payment of salaries and benefits to all employees through June 30, 2020. The operations and business results of the District could be adversely affected in the future including a reduction in the level of funding and impact to the timing of cash flows. In addition, significant estimates may be adversely impacted by national, state and local events designed to contain the coronavirus. Debt ratings for outstanding issuances may further be impacted. For the 2021 school year, the District is offering instruction in formats consistent with local health guidelines. Throughout the pandemic the District has put into practice a number of safety measures to protect students and employees and will continue to revise them as needed.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN  
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

Board of Education  
Berkeley Unified School District  
Berkeley, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Berkeley Unified School District (the "District") Measure E1, also referred to as "Berkeley Public Schools Educational Excellence Act" as of and for the year ended June 30, 2020, and the related notes to the financial statements, and have issued our report thereon dated May 20, 2022.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the District's internal control over Measure E1 activity financial reporting (internal control) a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion of the effectiveness of the District's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

---

(Continued)

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District Measure E1 activity included in the General Fund of the District's financial statements are free from material misstatement, we performed tests of the District's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## Purpose of this Report

This purpose of this report is intended solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Governmental Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
