

Lifting Up Jewish American Staff Voices

Emily Hill

Longfellow Middle School
Vice Principal

"I think it's important to learn about and celebrate Jewish history and culture so that we know more than misinformation and stereotypes. Jews are actually very diverse and live all over the world! Jews have always faced challenges and persecution, but we continue to persevere and bring positive contributions to society. Jewish values include being helpful to those who are in need and an obligation to make the world a better place. Living according to these values has brought a lot of meaning and joy to my life, especially as an educator!
