## A MESSAGE FROM SUPERINTENDENT FORD MORTHEL: FILIPINA/X/O AMERICAN HISTORY MONTH

Dear BUSD Community,

Part of our BUSD vision is that "Our schools are vital centers of community life enriched by the diversity of our city and welcoming to all families. Each classroom offers engaging and culturally-relevant curriculum that builds on students' interests and abilities."

As part of our work to offer culturally-relevant curriculum, we celebrate and uplift heritage and history months such as October's Filipina/x/o American History Month. Additionally, in 2021, our district made a commitment via our <u>Resolution Denouncing Hate Crimes and Bigotry Targeting Asian Americans and Pacific Islanders</u>, to actively counter racist and harmful ideology against the AAPI community with our greatest tool: education.

This month of October, we honor the over four hundred years of history of Filipina/x/o Americans in this country. Since 2009, U.S. Congress has recognized October as Filipino American History Month and our district joins the many communities and organizations that are celebrating the fact that Filipino/x American history is American history.

While months like this are one way for students and families to see themselves reflected in our community, we are committed to this work being embedded in culturally-relevant curriculums throughout the academic year.

In the words inspired by Larry Itliong, celebrated Filipino farmworker activist:

Isang bagsak! We rise and fall together!
