Mild/Mod Special  
Education Teacher

**Favorite Book:** Braiding  
Sweetgrass

**Favorite Food:** Anything  
involving potatoes

**Ideal Dinner Guests:** Nina  
Simone, Zora Neal Hurston,  
and Marsha P. Johnson

"For me gender and sexuality are very fluid. I feel the most free when my gender can be a place of fun, creativity, and exploration.

"They/Them pronouns allow me to express that I exist beyond the gender binary, and be who I really am! Being queer means that I have capability to love people of all genders, which has made my life incredibly beautiful.

"Every part of you is deserving of love."
