RE: Interactive Process Status

This letter is to inquire into my return from ADA and the interactive process. I was released back to work 02/25/16 with modifications due to several work related injuries. On 2/18, 02/19 and recently on 3/24/16 by fax, I provided the required ADA reasonable accommodation forms and medical notes completed by my worker's comp physician. I received a response from you on Friday, 3/25/16 at 3:53pm stating that you were in receipt of the medical note and that you would be in contact with me on Monday, 3/28/16. As of today, Wed. 03/30/16 I have not received a response from you. However, to my dismay, I discovered my position was posted on 03/29/16.

Paula Phillips, BCCE Union President and I met with you on 03/14/16 and again on 03/16/16 to engage in an Interactive Process. I informed you that I was waiting for my physician to complete the forms and once I received the forms I would provide the information, to you which I did on 3/25/16. Merit rules 60.700.5(g) Industrial Accident and Industrial illness states "Upon return to service from any paid or unpaid leave resulting from an industrial accident or industrial illness, an employee shall be assigned to a position in his/her former class ahead of any employee with a lesser amount of seniority".

Thus, please provide a response detailing my current status in the interactive process and my return to active duty. I feel it is unfair and unjust after 25 years of loyal employment with the District, to have sustained work related injuries and not be accommodated by the District. These unwarranted delays by you in returning me to work is a violation of my rights under the Americans with Disability Act. I am requesting an immediate response.
