I wish to contribute the following amount for the 1/1/19 – 12/31/19 Plan Year. My annual contribution will be deducted from my pay in equal amounts (10 pay-periods per year) and deposited into my Account(s). I understand that, once made, my elections are "irrevocable" during the plan year unless I experience a "qualifying and related change in status" or other permissible event as defined in the Plan and by the Internal Revenue code (IRS). I further understand that I must re-enroll for each new plan year during the District's annual open enrollment period. If I fail to do so, I may not participate until the District's next open enrollment period.

☐ **Health Care Spending Account ($2,650 annual maximum)** **$**_____ ☐ **Decline**

I understand that I will forfeit contributions that I have not claimed in excess of $500 from my medical FSA account after the end of each plan year. For any other type of beneficiary, please use a beneficiary designation form available from the District. Unless designated otherwise, payments will be made in equal shares or all to the survivor. The Employee understands that he or she has the right to change this designation at any time.

***If you would like to apply for voluntary life insurance, please ask the Benefits Office for a separate form. An Evidence of Insurability form may be required.**

DOMESTIC PARTNERSHIP POLICY AND DEFINITIONS

A Domestic Partnership shall exist between two persons regardless of their gender and each of them shall be the domestic partner of the other if both complete and sign this affidavit and attest to the following:

1. The two parties reside together share the common necessities of life.
2. The two parties are not married to anyone, not related to blood closer than would bar marriage in the State of California, and are mentally competent to consent to contract.
3. The two parties declare that they are each other's sole domestic partner and they are responsible for their common welfare.
4. The two parties agree to notify the Berkeley Unified School District Personnel Office if there is a change of the circumstances attested to in this affidavit.
5. All dependents under Domestic Partnership coverage shall have permanent residency in the Domestic Partnership household and shall meet all other dependent coverage criteria.
6. It has been at least six months since either of the two parties has filed a statement of termination of a previous domestic partnership affidavit with the appropriate District Personnel Office.

Domestic Partner/Same-Sex Spouse Taxation

The cost to cover a domestic partner/same-sex spouse and his or her dependent children is the same as the cost to cover all other eligible family members. However, employee contributions for domestic partners or same-sex spouses and/or their dependent children are made on an after-tax basis for federal tax purposes in compliance with Internal Revenue Service (IRS) regulations.

In addition, the cost of employer paid coverage for domestic partners or same-sex spouses and their children will result in taxable "imputed" income to the employee for federal tax purposes. This means the District's cost of the coverage is subject to federal income taxes as well as Federal Contributions Insurance Act (FICA). Imputed income will be reflected on the employee's paycheck and year-end W-2 form. The additional taxes will be withheld from pay.

I declare under penalty of perjury that all the foregoing information provided by me is true and correct and that all provisions of the Domestic Partnership eligibility and policy have been met.

SECTION III – PAYMENTS OR TSA IN LIEU OF MEDICAL INSURANCE

I have received information on the various medical insurance providers available through Berkeley Unified School District. At this time, I elect to decline the medical coverage provided by the District for myself and/or my dependents listed. I and/or my dependents are covered by another Health Plan. I understand that by declining this coverage, I am unable to enroll in the District's plan(s) until the next open enrollment period unless I experience an eligible qualifying event. I understand that if I or my dependents experience an eligible qualifying event, I have 30 days from the date of the event to notify the District and to request enrollment in the District's plan(s). Proof of the qualifying event must be provided to the District within 30 days of the event. If I notify the District after 30 days, I must wait until the next open enrollment period to make a change. I understand that the District is not responsible to cover any medical expenses that may arise while receiving cash in lieu.

I also understand that I will need to provide the District with adequate documentation to prove enrollment in the other medical plan. I will be required to substantiate my continued enrollment in other coverage each year during open enrollment.
