### Save Another Date! **November 15, 2018: "State of the District" and Workshops**

❖ Update on the Local Control Accountability Plan

❖ Community Workshops:

- Hidden Recession and the District Budget: Overview presentation of State funding, discussion of current and impending changes in BUSD budgets.
  - Alphabet Soup Roundtable: How to connect different committees (PTA, PAC, D/ELAC, P&O) to work together to best serve and raise up your communities and students.
  - Diving into Data: Learn what data the district provides, what the district surveys will look like, how you can identify your site's data needs, and resources for fulfilling them.
  - Effective Advocacy: How committees can be resources for advocacy groups, and real-world examples of effective advocacy.
-
