School Description

At Thousand Oaks School we believe in developing and nurturing students' natural love of learning. We embrace and seek to expand the multitude of life experiences that students bring, promoting self-confidence and a respect for diversity. To prepare students for their roles as successful global citizens, our program is centered on academic progress and success. We provide a rigorous educational program supporting the development of effective communicators, critical thinkers and creative problem solvers.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Williams legislation calls for the schools to have enough books in core classes for all students and asks districts to reveal whether those books are presenting information outlined in the California content standards. Textbook materials are adopted by the school board following a rotating adoption cycle for subject specific state adopted textbooks and instructional materials.

Textbooks and Instructional Materials

School Facility Conditions and Planned Improvements (Most Recent Year)

The district administers a scheduled maintenance program to ensure that all classrooms and facilities are well maintained and in good repair. A work order process alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

Safety issues are the top priority for Maintenance and Operations. District maintenance supervisors inspect school sites continually and complete repairs in a timely manner. They use a work order process to ensure an efficient, prioritized repair process. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.⁷

Date of Last Inspection: August 12, 2020

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

Year and month in which data were collected: October 2020

System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	No apparent problems
Interior: Interior Surfaces	Good	No apparent problems
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	No apparent problems

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	44	N/A	60	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents, families and community members have multiple opportunities to be involved at Thousand Oaks Elementary School. Our Office of Family Engagement and Equity provides parent/caregiver support and interaction that contributes to a wonderful partnership between home and school, benefiting the children at Thousand Oaks. Some parents/caregivers help in classrooms as room parents, tutors and helpers, assist with yard supervision, chaperone field trips and help with special events. Parents/caregivers also assume leadership roles and become members of our parent groups and advisory committees. They serve as leaders and members of our School Site Council (SSC) and our English Learner Advisory Committee (ELAC), and represent our school on district advisory committees. Parents/caregivers lead and participate in parent groups such as Voices of the Village (Black Parent Group) and the PTA. These parent groups promote community and involvement with their many school events and celebrations, such as our Harvest Festival, Black History Month, Asian-American Heritage and Latinx celebrations. Our PTA hosts numerous events that provide many opportunities for involvement annually, including Book Fairs, Science Fair and Math and Literacy Nights. Please feel free to contact our Office of Family Engagement and Equity Specialist Laura Rivas at at 510-644-4114/ laurarivas@berkeley.net to learn about more opportunities to get involved.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

To have a safe and orderly environment, Thousand Oaks uses an integrated curriculum designed to:

- Provide appropriate structure and boundaries for students
- Nurture empathy and problem-solving skills
- Instill a strong anti-violence/anti-bullying environment at Thousand Oaks.

Positive Behavior Interventions and Supports, also known as PBIS, serve as a broad framework for teaching school-wide rules and expectations for how students behave in all common areas. This approach guides school-wide, classroom, and individual student interventions, as well as family collaboration. It offers a plan to support all students in school, including students with additional needs and the few students who need the most intensive support. A key component of this approach is that behavioral expectations are explicitly taught to students and reinforced throughout the school year. Also, PBIS supports students in learning pro-social skills and has consequences when students make negative behavior choices. Good behavior is recognized and celebrated by teachers, staff, and administrators through the “Golden Leaf Awards” and “Class Leaf Awards” presented to students and classes observed making good decisions and following the rules.

The structure provided through PBIS is complemented by the Toolbox curriculum that focuses on teaching students empathy, self-regulation, and problem-solving skills. Thousand Oaks is also using the Welcoming Schools curriculum, which focuses on teaching family diversity and anti-bullying behavior. Together, these integrated curricula represent a proactive approach to ensuring a safe learning environment for all students by providing appropriate support and guidance to help children be successful.

All students are expected to follow the main rules: Be Safe, Be Respectful, Be Responsible, Be an Ally, and Be Kind at all times while at school and any school-sponsored activities off-campus.

During lunch, recess, and before-and-after school, staff members, administrators, and noon supervisors supervise students and school grounds to ensure an orderly, safe environment. The school is always fully compliant with all rules, laws, and regulations concerning state earthquake standards and hazardous materials. Earthquake and fire drills are held monthly, and intruder drills are held at least once a year. Our school follows COVID-19 risk mitigation protocols developed by the district in consultation with local public health agencies.

Safety and disaster preparedness procedures, including elements of our Comprehensive Safe School Plan, are reviewed with school and district staff at the start of each school year.

Suspensions and Expulsions
(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.2	0.5	1.9	1.4	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only
(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions			0.2
Expulsions			0.1

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

TK-8 teachers participated in an optional two weeks of professional development during the summer (July-August 2020). The sessions were geared towards preparing teachers for distance learning. Additionally, teachers engaged in 3 full days of professional development during the 2020-21 school year. TK-8 teachers participate in dedicated collaboration 5 partial day professional development, each session 2 hours in length. Every TK-8 site has a Literacy Coach Equity Lead, and a Math Teacher Leader to support teachers in reflecting and improving math and literacy teaching skills through co-teaching and direct professional development at staff meetings. Professional development in TK-8 has explicitly focused on best practices to engage and empower students via distance learning and abolitionist and culturally responsive teaching. New teachers participate in a rigorous District Teacher Induction program. Teacher-initiated professional development is supported through local funds earmarked for this purpose and through school site funds, as well.

Types of Services Funded

The Berkeley Unified School District has used federal funding to provide supplemental alternative services and supplemental instructional materials provided to the Title I schools that support and assist Title I students. Alternative support includes tutoring, intervention curriculum and supplemental instructional supplies for targeted Title I students to close the achievement gap.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
