Administrative Regulation

Nondiscrimination/Harassment

AR 5145.3

Students

Note: The following mandated administrative regulation provides measures that may be implemented by a district to comply with state and federal laws and regulations prohibiting unlawful discrimination at school or in school-sponsored or school-related activities, including discriminatory harassment, intimidation, and bullying, of any student based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, genetic information, or any other legally protected category or association with a person or group with one or more of these actual or perceived characteristics. Federal and state law also prohibit retaliation against those who engage in activity to protect civil rights.

Note: 5 CCR 4621 mandates the district to identify in its policies and procedures the person(s), position(s), or unit(s) responsible for ensuring compliance with applicable state and federal laws and regulations governing educational programs, including the receiving and investigating of complaints alleging unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying. In addition, 34 CFR 106.8 and other federal regulations mandate districts that receive federal financial assistance to adopt procedures for the "prompt and equitable" resolution of student and employee discrimination complaints, including the designation of one or more responsible employees to ensure district compliance with federal laws and regulations governing the district's educational programs.

Note: During the Federal Program Monitoring process, California Department of Education (CDE) staff will check to ensure that the district's procedures list the specific title(s) of the employee(s) responsible for investigating complaints. The U.S. Department of Education's (USDOE) Office for Civil Rights (OCR) is the agency responsible for the administrative enforcement of federal antidiscrimination laws and regulations in programs and activities that receive federal financial assistance from the department. In reviewing a district's discrimination policies and procedures, OCR will examine whether the district has identified the employee(s) responsible for coordinating compliance with federal civil rights laws, including the investigation of complaints.

Note: The following paragraph identifies the employee(s) designated to coordinate the district's efforts to comply with state and federal civil rights laws as the same person designated to investigate and resolve discrimination complaints under AR 1312.3 - Uniform Complaint Procedures. Districts may modify the following paragraph to designate different district employees to serve these functions. Note also that a district may designate more than one employee to coordinate compliance and/or receive and investigate complaints, although each employee designated as a coordinator/compliance officer must be properly trained.

Note: 34 CFR 106.8, as amended by 85 Fed. Reg. 30026, requires that the employee designated by the district to coordinate its responsibilities under Title IX be referred to as the Title IX Coordinator. The Title IX Coordinator is responsible for receiving complaints of sexual harassment and determining whether the complaint should be appropriately addressed through AR 1312.3 or the federal Title IX complaint procedures pursuant to 34 CFR 106.44-106.45. The Title IX Coordinator may be the same person designated below and in AR 1312.3. See AR 5145.7 - Sexual Harassment and AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

The district designates the individual(s) identified below as the employee(s) responsible for coordinating the district's efforts to comply with applicable state and federal civil rights laws and to answer inquiries regarding the district's nondiscrimination policies. The individual(s) shall also serve as the compliance officer(s) specified in AR 1312.3 - Uniform Complaint Procedures as the responsible employee to handle complaints alleging unlawful discrimination targeting a student, including discriminatory harassment, intimidation, or bullying, based on the student's actual or perceived race, color, ancestry, nationality, national origin, immigration status, ethnic group identification, ethnicity, age, religion, marital status, pregnancy, parental status, physical or mental disability, medical condition, sex, sexual orientation, gender, gender identity, gender expression, genetic information, or any other legally protected status or association with a person or group with one or more of these actual or perceived characteristics. The coordinator/compliance officer(s) may be contacted at: (Education Code 234.1; 5 CCR 4621)

Measures to Prevent Discrimination:

To prevent unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying, of students at district schools or in school activities and to ensure equal access of all students to the educational program, the Superintendent or designee shall implement the following measures:

Note: As part of its responsibility to monitor district compliance with legal requirements concerning discrimination pursuant to Education Code 234.1, CDE is required to ensure that the district posts its nondiscrimination policies in all schools, offices, staff lounges, and student government meeting rooms.

Note: In addition, federal regulations enforced by OCR require the district to notify students, parents/guardians, and employees of its policies prohibiting discrimination on the basis of sex (34 CFR 106.8, 106.9), disability (34 CFR 104.8 and 28 CFR 35.107), and age (34 CFR 110.25) and of related complaint procedures. For notification requirements specifically pertaining to sexual harassment, see BP/AR 5145.7 - Sexual Harassment.

1. Publicize the district's nondiscrimination policy and related complaint procedures, including the coordinator/compliance officer's contact information, to students, parents/guardians, employees, volunteers, and the general public by posting them in prominent locations and providing easy access to them through district-supported communications.

Note: Education Code 234.6, as added by AB 34 (Ch. 282, Statutes of 2019), requires a district, starting with the 2020-21 school year, to post its nondiscrimination policies on its web site as specified below. In addition to the policies listed below, if the district has a policy in regard to the prevention and response to hate violence, it is also required to be posted, and the following item should be modified accordingly. See BP 5145.9 - Hate-Motivated Behavior.

2. Post the district's policies and procedures prohibiting discrimination, harassment, student sexual harassment, intimidation, bullying, and cyberbullying, including a section on social media bullying that includes all of the references described in Education Code 234.6 as possible forums for social media, in a prominent location on the district's web site in a manner that is easily accessible to parents/guardians and students (Education Code 234.6).

(cf. 1114 - District-Sponsored Social Media)

(cf. 5131.2 - Bullying)

(cf. 5145.9 - Hate-Motivated Behavior)

Note: Education Code 234.6, as added by AB 34, requires a district, starting in the 2020-21 school year, to post the definitions specified below.

3. Post the definition of sex discrimination and harassment as described in Education Code 230, including the rights set forth in Education Code 221.8, in a prominent location on the district's web site in a manner that is easily accessible to parents/guardians and students (Education Code 234.6)

Note: Education Code 221.61 requires districts and public schools to post on their web sites information related to Title IX (20 USC 1681-1688). Education Code 234.6, as added by AB 34, requires districts, beginning in the 2020-21 school year, to post the Title IX information required pursuant to 221.61 in a prominent location on the district's web site in a manner that is easily accessible to parents/guardians and students. Additionally, districts are required to provide a link to the Title IX information included on CDE's website pursuant to Education Code 221.6, in the same manner. A comprehensive list of rights based on the federal regulations implementing Title IX can be found in Education Code 221.8. A district that does not maintain a web site may comply by posting the information below on the web site of its county office of education. A school without a web site may comply by posting the information on the web site of the district or county office of education.

4. Post in a prominent location on the district web site in a manner that is easily accessible to parents/guardians and student's information regarding Title IX prohibitions against discrimination based on a student's sex, gender, gender identity, pregnancy, and parental status, including the following: (Education Code 221.6, 221.61, 234.6)

a. The name and contact information of the district's Title IX Coordinator, including the phone number and email address.

b. The rights of students and the public and the responsibilities of the district under Title IX, including a list of rights as specified in Education Code 221.8 and web links to information about those rights and responsibilities located on the web sites of the Office for Equal Opportunity and the U.S. Department of Education's Office for Civil Rights (OCR).

c. A description of how to file a complaint of noncompliance under Title IX, which shall include:

(1) An explanation of the statute of limitations within which a complaint must be filed after an alleged incident of discrimination has occurred and how a complaint may be filed beyond the statute of limitations.

(2) An explanation of how the complaint will be investigated and how the complainant may further pursue the complaint, including web links to this information on the OCR's web site.

(3) A web link to the OCR complaints form, and the contact information for the office, including the phone number and email address for the office

d. A link to the Title IX information included on the California Department of Education's (CDE) web site.

Note: Education Code 234.6, as added by AB 34, requires a district, starting in the 2020-21 school year, to post a link to statewide resources as specified below.

5. Post a link to statewide CDE-compiled resources, including community-based organizations, that provide support to youth who have been subjected to school-based discrimination, harassment, intimidation, or bullying and to their families. Such resources shall be posted in a prominent location on the district's web site in a manner that is easily accessible to parents/guardians and students. (Education Code 234.5, 234.6)

6. Provide to students a handbook that contains age-appropriate information that clearly describes the district's nondiscrimination policy, procedures for filing a complaint, and resources available to students who feel that they have been the victim of any such behavior.

7. Annually notify all students and parents/guardians of the district's nondiscrimination policy, including its responsibility to provide a safe, nondiscriminatory school environment for all students, including transgender and gender-nonconforming students. The notice shall inform students and parents/guardians that they may request to meet with the compliance officer to determine how best to accommodate or resolve concerns that may arise from the district's implementation of its nondiscrimination policies. The notice shall also inform all students and parents/guardians that, to the extent possible, the district will address any individual student's interests and concerns in private.

(cf. 5145.6 - Parental Notifications)

Note: Both federal and state laws contain requirements for translation of certain information and documents. Title VI of the Civil Rights Act of 1964 requires school districts to ensure meaningful access to their programs and activities by persons with limited English proficiency. OCR has interpreted this to require that, whenever information is provided to parents/guardians, districts must notify limited-English-proficient (LEP) parents/guardians in a language other than English in order to be adequate. OCR enforces this requirement consistent with the Department of Justice's 2003 Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons. Under the Guidance, a recipient of federal funds has an obligation to provide language assistance to LEP individuals based on balancing four factors: (1) the number or proportion of LEP individuals likely to encounter or be served by the program, (2) the frequency with which LEP individuals come in contact with the program, (3) the nature and importance of the services provided by the program, and (4) the resources available to the recipient and costs. State law is more specific than federal law. Education Code 48985 requires translation of certain information and documents if 15 percent or more of students enrolled in the school speak a single primary language other than English.

8. Ensure that students and parents/guardians, including those with limited English proficiency, are notified of how to access the relevant information provided in the district's nondiscrimination policy and related complaint procedures, notices, and forms in a language they can understand.

If 15 percent or more of students enrolled in a particular district school speak a single primary language other than English, the district's policy, regulation, forms, and notices concerning nondiscrimination shall be translated into that language in accordance with Education Code 234.1 and 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

9. Provide to students, employees, volunteers, and parents/guardians age-appropriate training and/or information regarding the district's nondiscrimination policy; what constitutes prohibited discrimination, including discriminatory harassment, intimidation, retaliation, or bullying; how and to whom a report of an incident should be made; and how to guard against segregating or stereotyping students when providing instruction, guidance, supervision, or other services to them. Such training and information shall include details of guidelines the district may use to provide a discrimination-free environment for all district students, including transgender and gender-nonconforming students.

(cf. 1240 - Volunteer Assistance)

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

10. At the beginning of each school year, inform school employees that any employee who witnesses any act of unlawful discrimination, including discriminatory harassment, intimidation, or bullying, against a student is required to intervene if it is safe to do so. (Education Code 234.1)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

Note: Item #11 below may be revised to reflect district practice. In some situations, the district may need to provide assistance to a student to protect the student from harassment or bullying. Each situation will need to be analyzed to determine the most appropriate course of action to meet the needs of the student, based on the circumstances involved.

11. At the beginning of each school year, inform each principal or designee of the district's responsibility to provide appropriate assistance or resources to protect students from threatened or potentially discriminatory behavior and ensure their privacy rights.

Enforcement of District Policy:

The Superintendent or designee shall take appropriate actions to reinforce BP 5145.3 - Nondiscrimination/Harassment. As needed, these actions may include any of the following:

1. Removing vulgar or offending graffiti

(cf. 5131.5 - Vandalism and Graffiti)

2. Providing training to students, staff, and parents/guardians about how to recognize unlawful discrimination, how to report it or file a complaint, and how to respond.

3. Disseminating and/or summarizing the district's policy and regulation regarding unlawful discrimination.

4. Consistent with laws regarding the confidentiality of student and personnel records, communicating to students, parents/guardians, and the community the school's response plan to unlawful discrimination or harassment.

(cf. 4112.6/4212.6/4312.6 - Personnel Files)

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

(cf. 5125 - Student Records)

5. Taking appropriate disciplinary action against students, employees, and anyone determined to have engaged in wrongdoing in violation of district policy, including any student who is found to have filed a complaint of discrimination that the student knew was not true.

Process for Initiating and Responding to Complaints:

Note: Education Code 234.1 requires that districts adopt a process for receiving and investigating complaints of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, and bullying. Such a process, which is required to be consistent with

the uniform complaint procedures (UCP) specified in 5 CCR 4600-4670, must include (1) a requirement that school personnel who witness an act take immediate steps to intervene when safe to do so, (2) a timeline for investigating and resolving complaints, (3) an appeal process, and (4) translation of forms when required by Education Code 48985. In addition, federal regulations require districts to adopt procedures providing for the prompt and equitable resolution of complaints of discrimination on the basis of sex (34 CFR 106.8), disability (34 CFR 104.7 and 28 CFR 35.107), and age (34 CFR 110.25). OCR guidance on federal civil rights requirements notes that districts may have a responsibility to respond to notice of discrimination whether or not a formal complaint is filed.

Note: Complaints of sexual harassment must be addressed through the federal Title IX complaint procedures established pursuant to 34 CFR 106.44-106.45, as added by 85 Fed. Reg. 30026, if the alleged conduct meets the federal definition of sexual harassment. Pursuant to 34 CFR 106.30, sexual harassment includes (1) a district employee conditioning the provision of a district aid, benefit, or service on an individual's participation in unwelcome sexual conduct; (2) unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the district's education program or activity; or (3) sexual assault, dating violence, domestic violence, or stalking as defined in 20 USC 1092 and 34 USC 12291. Allegations that do not meet this definition should be addressed through the district's UCP. See BP/AR 5145.7 - Sexual Harassment and AR 5145.71 - Title IX Sexual Harassment Complaint Procedures.

Students who feel that they have been subjected to unlawful discrimination described above or in district policy are strongly encouraged to immediately contact the compliance officer, principal, or any other staff member. In addition, students who observe any such incident are strongly encouraged to report the incident to the compliance officer or principal, whether or not the alleged victim files a complaint.

Any school employee who observes an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, or to whom such an incident is reported shall report the incident to the compliance officer or principal within a school day, whether or not the alleged victim files a complaint.

Any school employee who witnesses an incident of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, shall immediately intervene to stop the incident when it is safe to do so. (Education Code 234.1)

Note: Though a formal complaint must be in writing pursuant to 5 CCR 4600, the district's obligation to provide a safe school environment for its students overrides the need to comply with formalities. Thus, once the district receives notice of an incident, whether verbally or in writing, it is good practice to begin the investigation of the report and to take steps to stop any prohibited conduct and address any effect on students. The following paragraph reflects such practice and is consistent with OCR recommendation.

When a report of unlawful discrimination, including discriminatory harassment, intimidation, retaliation, or bullying, is made to or received by the principal or compliance officer, the principal or compliance officer shall notify the student or parent/guardian of the right to file a formal complaint in accordance with AR 1312.3 - Uniform Complaint Procedures or, for

complaints of sexual harassment that meet the federal Title IX definition, AR 5145.71 - Title IX Sexual Harassment Complaint Procedures. Once notified verbally or in writing, the compliance officer shall begin the investigation and shall implement immediate measures necessary to stop the discrimination and ensure that all students have access to the educational program and a safe school environment. Any interim measures adopted to address unlawful discrimination shall, to the extent possible, not disadvantage the complainant or a student who is the victim of the alleged unlawful discrimination.

Any report or complaint alleging unlawful discrimination by the principal, compliance officer, or any other person to whom a report would ordinarily be made, or complaint filed shall instead be made to or filed with the Superintendent or designee who shall determine how the complaint will be investigated.
