Administrative Regulation

Nondiscrimination and Harassment: Transgender & Gender Nonconforming Students

AR 5145.3

Students

Note: The term "gender identity" is not specifically defined in the Education Code. The following definition is consistent with case law and generally accepted terms within academia, as well as the Resolution Agreement between the Arcadia Unified School District, the U.S. Department of Education Office for Civil Rights, and the U.S. Department of Justice, Civil Rights Division, which defines "gender identity" as "one's internal sense of gender, which may be different from one's assigned sex, and which is consistently and uniformly asserted, or for which there is other evidence that the gender identity is sincerely held as part of the student's core identity."

Gender identity of a student means the student's gender-related identity, appearance, or behavior as determined from the student's internal sense, whether or not that gender-related identity, appearance, or behavior is different from that traditionally associated with the student's physiology or assigned sex at birth.

Gender expression means a student's gender-related appearance and behavior, whether stereotypically associated with the student's assigned sex at birth. (Education Code [210.7](#))

Gender transition refers to the process in which a student changes from living and identifying as the sex assigned to the student at birth to living and identifying as the sex that corresponds to the student's gender identity.

Gender-nonconforming student means a student whose gender expression differs from stereotypical expectations.

Transgender student means a student whose gender identity is different from the gender assigned at birth.

The District prohibits acts of verbal, nonverbal, or physical aggression, intimidation, or hostility that are based on sex, gender identity, or gender expression, or that have the purpose or effect of producing a negative impact on the student's academic performance or of creating an intimidating, hostile, or offensive educational environment, regardless of whether the acts are sexual in nature. Examples of the types of conduct which are prohibited in the district and which may constitute gender-based harassment include, but are not limited to:

1. Refusing to address a student by a name and the pronouns consistent with the student's gender identity.
2. Disciplining or disparaging a student or excluding the student from participating in activities, for behavior or appearance that is consistent with the student's gender identity or that does not conform to stereotypical notions of masculinity or femininity, as applicable.
3. Blocking a student's entry to the restroom that corresponds to the student's gender identity.
4. Taunting a student because the student participates in an athletic activity more typically favored by a student of the other sex.

5. Revealing a student's transgender status to individuals who do not have a legitimate need for the information, without the student's consent.

6. Using gender-specific slurs.

7. Physically assaulting a student motivated by hostility toward the student because of the student's gender, gender identity, or gender expression.

The District's Uniform Complaint Procedures (AR 1312.3) or Title IX Sexual Harassment procedures (AR 5145.71), as applicable, shall be used to report and resolve complaints alleging discrimination against transgender and gender-nonconforming students.

Examples of bases for complaints include, but are not limited to, the above list, as well as improper rejection by the district of a student's asserted gender identity, denial of access to facilities that correspond with a student's gender identity, improper disclosure of a student's transgender status, discriminatory enforcement of a dress code, and other instances of gender-based harassment.

To ensure that transgender and gender-nonconforming students are afforded the same rights, benefits, and protections provided to all students by law and Board policy, the District shall address each situation on a case-by-case basis, in accordance with the following guidelines:

Note: Timelines included in items #1-2 below may be modified to reflect district practice.

1. Right to Privacy: A student's transgender or gender-nonconforming status is the student's private information and the District shall only disclose the information to others with the student's prior written consent, except when the disclosure is otherwise required by law or when the district has compelling evidence that disclosure is necessary to preserve the student's physical or mental well-being. In any case, the District shall only allow disclosure of a student's personally identifiable information to employees with a legitimate educational interest as determined by the District pursuant to 34 CFR [99.31](#). Any District employee to whom a student's transgender or gender-nonconforming status is disclosed shall keep the student's information confidential. When disclosure of a student's gender identity is made to a District employee by a student, the employee shall seek the student's permission to notify the compliance officer. If the student refuses to give permission, the employee shall keep the student's information confidential, unless the employee is required to disclose or report the student's information pursuant to this administrative regulation and shall inform the student that honoring the student's request may limit the District's ability to meet the student's needs related to the student's status as a transgender or gender-nonconforming student. If the student permits the employee to notify the compliance officer, the employee shall do so within three school days.

As appropriate given the student's need for support, the compliance officer may discuss with the student any need to disclose the student's transgender or gender-nonconformity status or gender identity or gender expression to the student's parents/guardians and/or others, including other students, teacher(s), or other adults on campus. The District shall offer support services, such as counseling, to students who wish to inform their parents/guardians of their status and desire assistance in doing so.

(cf. [3580](#) - District Records)

2. Determining a Student's Gender Identity: The compliance officer shall accept the student's assertion of gender identity and begin to treat the student consistent with that gender identity unless District personnel present a credible and supportable basis for believing that the student's assertion is for an improper purpose.

3. Addressing a Student's Transition Needs: The compliance officer shall arrange a meeting with the student and, if appropriate, the student's parents/guardians to identify and develop strategies for ensuring that the student's access to educational programs and activities is maintained. The meeting shall discuss the transgender or gender-nonconforming student's rights and how those rights may affect and be affected by the rights of other students and shall address specific subjects related to the student's access to facilities and to academic or educational support programs, services, or activities, including, but not limited to, sports and other competitive endeavors. In addition, the compliance officer shall identify specific school site employee(s) to whom the student may report any problem related to the student's status as a transgender or gender-nonconforming individual, so that prompt action can be taken to address it. Alternatively, if appropriate and desired by the student, the school may form a support team for the student that will meet periodically to assess whether the arrangements for the student are meeting the student's educational needs and providing equal access to programs and activities, educate appropriate staff about the student's transition, and serve as a resource to the student to better protect the student from gender-based discrimination.

Note: Pursuant to Education Code 221.5, a district is required to permit a student to use facilities and participate in sex-segregated school programs and activities consistent with the student's gender identity, regardless of the gender listed on the student's educational records. Because Education Code 221.5 affords transgender students these rights, districts in California are not impacted by the February 22, 2017 action of the USDOE and U.S. Department of Justice to rescind earlier federal guidance which had indicated that, under Title IX, students must be allowed to use sex-segregated facilities in accordance with their gender identity. In implementing state law, districts may review recommended practices in the USDOE's Office of Elementary and Secondary Education's Examples of Policies and Emerging Practices for Supporting Transgender Students. For more information on the rights of transgender students, see CSBA's Updated Legal Guidance: Protecting Transgender and Gender Nonconforming Students Against Discrimination.

4. Accessibility to Sex-Segregated Facilities, Programs, and Activities: When the District maintains sex-segregated facilities, such as restrooms and locker rooms, or offers sex-segregated programs and activities, such as physical education classes, intermural sports, and interscholastic athletic programs, students shall be permitted to access facilities and participate in programs and activities consistent with their gender identity. To address any student's privacy concerns in using sex-segregated facilities, the District shall offer available options such as a gender-neutral or single-use restroom or changing area, a bathroom stall with a door, an area in the locker room separated by a curtain or screen or use of the locker room before or after the other students. However, the district shall not require a student to utilize these options because the student is transgender or gender nonconforming. In addition, a student shall be permitted to participate in accordance with the student's gender identity in other circumstances where students are separated by gender, such as for class discussions, yearbook pictures, and field trips. A student's right to participate in a sex-segregated activity in accordance with the student's gender identity shall not render invalid or inapplicable any other eligibility rule established for participation in the activity.

Note: Education Code 49062.5 and [49070](#), as added and amended by AB 711 (Ch. 179, Statutes of 2019), respectively, require districts to update a former student's records to change the student's name and/or gender as specified below. See AR [5125](#) - Student Records.

5. Student Records: A student's legal name or gender as entered on the mandatory student record required pursuant to 5 CCR [432](#) shall only be changed with proper documentation. When a student presents government-issued documentation of a name and/or gender change or submits a request for a name and/or gender change through the process specified in Education Code [49070](#), the district shall update the student's records. (cf. [5125.3](#) - Challenging Student Records)

6. Names and Pronouns: If a student so chooses, district personnel shall be required to address the student by a name and the pronoun(s) consistent with the student's gender identity, without the necessity of a court order or a change to the student's official district record. However, inadvertent slips or honest mistakes by district personnel in the use of the student's name and/or consistent pronouns will, in general, not constitute a violation of this administrative regulation or the accompanying district policy.

7. Uniforms/Dress Code: A student has the right to dress in a manner consistent with the student's gender identity, subject to any dress code adopted on a school site.
