

# STAYING SAFE AT SCHOOL

## FIVE KEY PRACTICES FOR REDUCING THE SPREAD OF COVID-19 IN SCHOOLS

**1** Take BUSD's Daily Health Screener every school morning. Stay home if you have any symptoms of COVID-19 or have experienced close contact with a case.

**2** Wear a face covering except when eating and drinking.

**3** Practice social distancing.

**4** Wash hands often with soap and water or use hand sanitizer.

**5** Avoid sharing objects with classmates.

# IN-PERSON LEARNING CHECKLIST

## BEFORE YOU RETURN

- Visit the [Campus Reopening Page](#) for important health and safety information.
- Watch the Vector safety training videos with your child.

Remind your child about how to stay safe at school:

- Wash and sanitize hands more often.
- Keep physical distance and avoid sharing objects.
- Wear a face covering.
- Tell an adult if they are feeling sick.

## STAYING SAFE

- Take [BUSD's Daily Health Screener](#) every school morning.
- Take advantage of BUSD's free student COVID testing.
- Keep your child at home if they have any [COVID-19 symptoms](#) or have had close contact with a case.
- Learn about COVID-19 case protocols in the BUSD COVID-19 Safety Plan, found on the [Campus Reopening Webpage](#).

## WHAT TO BRING EACH DAY

- 2 Face Coverings\*
- Personal hand sanitizer\*
- Personal refillable water bottle

\* these items will also be available at school
