### Principal's Message

I am proud to present our annual report for the 2020-2021 school year. Berkeley Arts Magnet is a wonderful community, enriched by our diverse student body, families and staff. The staff shares a commitment to academic excellence: quality instruction and curriculum in all disciplines, high achievement for all students, appropriate supports for all students, and a rich arts education for the entire school. The purpose of this report is to present a clear picture of our students' academic achievements as well as the facts about our teachers and support staff whose dedication, training and professionalism contribute to a strong learning community. In this report, you will find information about our teachers, students, test scores, resources, and finances. Many qualities contribute to making a public school successful, and no single report can fully describe them all. You will see both school, district and state data. You will not see the caring relationships or engaged community that support student well-being and distinguish our school. But visit our school and talk to our community, and those qualities and experiences will be evident!

To provide insight into our school's learning environment, we share facts about our students, and the education and experience level of our teachers. You'll also find estimates of how well prepared our teachers are. At the end of the report, we shed some light on our district's spending— including how much we spend per student compared to other districts like ours in the state. Open communication between our school and our public is something we value highly, and it's a responsibility we take seriously. We hope this report will generate a dialogue between members of our community and school leadership. We invite you to join us in this discussion. To get involved at our school, please contact our school office.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

Williams legislation calls for the schools to have enough books in core classes for all students and asks districts to reveal whether those books are presenting information outlined in the California content standards. Textbook materials are adopted by the school board following a rotating adoption cycle for subject specific state adopted textbooks and instructional materials.

#### School Facility Conditions and Planned Improvements (Most Recent Year)

The district administers a scheduled maintenance program to ensure that all classrooms and facilities are well maintained and in good repair. A work order process alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

Safety issues are the top priority for Maintenance and Operations. District maintenance supervisors inspect school sites continually and complete repairs in a timely manner. They use a work order process to ensure an efficient, prioritized repair process. The district maintenance staff has indicated that 100% of all toilets on school grounds are in working order.

To determine the condition of our facilities, our district sent experts from our facilities team to perform an inspection using a survey called the Facilities Inspection Tool, which is issued by the Office of Public School Construction.

Based on that survey, we've answered the questions you see on this report. Please note that the information reflects the condition of our buildings as of the date of the report. Since that time, those conditions may have changed.

Date of Last Inspection: September 9, 2020

### School Facility Good Repair Status (Most Recent Year)

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

#### Percentage of Students Meeting or Exceeding the State Standard

ELA	72	N/A	65	N/A	50	N/A
Math	70	N/A	60	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Opportunities for parent involvement represent an important part of the school community. Parents/caregivers are welcome to participate in school events and are respected partners in their students' education. Parents/caregivers volunteer in classrooms, chaperone field trips and support meaningful activities, such as enrichment classes, student productions, and safety and disaster preparedness. Parents/caregivers raise significant funds to support the school's needs. They participate in shared leadership through the School Site Council, PTA, Family Now, ELAC meetings for English Learners, cultural events, talent shows, Greening Committee, our positive behavior support and equity/safety committees, the school website and school field trips. Parents/caregivers also support the school's efforts to welcome and celebrate our diversity. The PTA represents our diverse school community: PTA vice presidents serve and represent our Latino, Asian, African-American and LGBTQIA families as well as families of students with disabilities. Parents/caregivers are also involved in education nights (e.g. Family Math, Family Literacy, Science Fair, Gender Diversity), our weekly newsletter (The Thursday News) and etree (BAM Announcements), classroom newsletters, field trips, and the production of the Parent Handbook and School Directory. Our Office of Family Engagement and Equity provides parent/caregiver support and interaction that contributes to a wonderful partnership between home and school, benefiting the children at Berkeley Arts Magnet Elementary School. Please feel free to contact our PTA or our Office of Family Engagement and Equity which provides parent/caregiver support and interaction that contribute to a wonderful partnership between home and school, benefiting the children at Berkeley Arts Magnet Elementary.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The safety of students and staff is our primary concern. The social and emotional well-being of students is also of paramount importance. Site funds are allocated to provide counseling, behavior support services and family services. BAM implements positive behavior interventions supports. Our "Welcoming Schools" curriculum teaches and supports respect and anti-bullying. Community and family members volunteer in our classrooms and participate in school events. During lunch, recesses, and before-and-after school, staff members, administrators, and noon supervisors supervise students and school grounds to ensure an orderly, safe environment. Noon supervisors work under the direction of a coach from the YMCA, and also lead and coach lunchtime games. The school is always fully compliant with all rules, laws, and regulations concerning state earthquake standards and hazardous materials. Earthquake and fire drills are held monthly, and intruder drills are held at least twice a year.

Safety procedures, including elements of our Comprehensive Safe School Plan, are reviewed with school and district staff at the start of each school year. The plan was last updated and reviewed with school staff and the School Site Council in spring of 2019. The current plan includes goals for emergency response, strength-based social-emotional interventions, and cultural competence. Our school follows COVID-19 risk mitigation protocols developed by the District in consultation with local Public Health agencies.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**California School Dashboard**

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
