

Berkeley High School

Summer Plan

June 2021

Berkeley High Rising 10-12th graders and Senior Diploma

6/14-7/23 8:15 -11:20am; 12-3:05pm

Summer School for Current 8th Graders and Extended School Year

6/14-7/9 9am-12pm (-12:30pm for ESY)

CTE Robotics Camp for Current 8th & 9th Graders

6/22-7/23 12:45-3:45pm

Emerging Stronger. Together.

Berkeley
PUBLIC SCHOOLS

Berkeley Unified School District

Arriving at Berkeley High School

Parents/caregivers are expected to do a daily Verbal At-Home Health Screening before bringing their students to school. Do not send your student to school if they answer YES to any of the questions about symptoms and exposure.

All students will enter through on MLK at the G and H breezeway or the corner on Allston/MLK.

When students arrive on campus, a staff member at the entrance will welcome students and simply ask "Are you feeling well today?" You do NOT need to fill out the online health screener. Students will then be directed to the G & H building.

DROP-OFF TIME: 8:00-8:15 AM (9th-12th)
 8:45-9:00 AM (8th & ESY)

Emerging Stronger. Together.

Dear BHS Community,

We are working within guidelines that require social distancing, mask wearing and hand washing hygiene at all times!

Each class will be made up of a stable cohort, although students may be in more than one stable cohort.

Please remind your student about mask wearing and social distancing each day.

Emerging Stronger. Together.

PUBLIC SCHOOLS
Berkeley Unified School District

Screenings & Symptoms

- Start every day with a Verbal At-Home Health Screening
 - Every morning, parents/caregivers must ask their students [THIS LIST](#) of COVID-19 symptoms and questions about exposures to cases. You do not need to fill out the online health screening form.
 - Do not send your student to school if they answer YES to any of the questions.
 - What do I do if your child has Covid-19 symptoms [PDF](#)
- Verbal Attestation upon arrival at school
 - When students arrive on campus, a staff member at the entrance will welcome students and simply ask, "Are you feeling well today?"
 - Staff will monitor students on arrival for symptoms and check throughout the day.

Emerging Stronger. Together.

Screenings & Symptoms (cont'd)

- What do I do if my child has Covid-19 symptoms [PDF](#)
- When a child tests positive for Covid-19 [PDF](#)
- After a Covid-19 test, next steps [PDF](#)
- When a child has close contact with someone with a positive case [PDF](#)

Emerging Stronger. Together.

COVID-19 Testing

Free COVID-19 testing will continue to be offered through June 30. Please visit BUSD's [High School Student COVID testing website](#) for the registration form, test request form, and more information on exact days and times.

Berkeley High School Testing: Thursday 9:30-11am
June 17th

Emerging Stronger. Together.

Berkeley
PUBLIC SCHOOLS
Berkeley Unified School District

Cases & Contact Tracing

- Parents/guardians will be notified if there has been a COVID-19 case in their school community. In most cases, there is nothing a parent/guardian will need to do.
- In the event a student is a close contact with a COVID-19 case during their infectious period, parents will be contacted immediately and advised about quarantining and other safety measures, including testing. This can include immediately picking up your student from school.
- All case and contact information is shared with City of Berkeley Public Health. They will reach out to families and make final determinations regarding quarantine.

Emerging Stronger. Together.

Berkeley
PUBLIC SCHOOLS
Berkeley Unified School District

Isolating & Quarantining

- In the event of an exposure, City of Berkeley Public Health will determine quarantine status for individuals. Fully vaccinated close contacts who are not symptomatic will not be required to quarantine.
- City of Berkeley Public Health will determine whether an exposed student can return to school immediately or must quarantine. Your child must stay home until the City of Berkeley determines your child's vaccination and quarantine status.
- If your student tests positive for COVID-19, your local Health Department (often the City of Berkeley) or the District Nurse will provide the isolation timeline for your student.

Emerging Stronger. Together.

Face Coverings

- Face coverings are required for all students (and visitors) while at school or riding District buses.
- Face coverings must cover the nose and mouth and be worn correctly. One-way valve face coverings are not permitted.
- Students are encouraged to bring their own face coverings. Schools will provide face coverings to students and staff as needed.
- Students may only remove face coverings when eating, drinking, or changing a face covering when wet or damaged. When face masks are removed for eating, students must remain 6 feet apart.

There is an exemption, per [CDPH guidance](#), for students and staff unable to wear a face covering due to special circumstances such as a documented developmental or health diagnosis.

Linked you will find the District's [Student Mask Exemption Request Form](#) and the [Mask Exemption Procedure](#).

Health & Hygiene

Cleaning and Disinfecting

The BUSD custodial staff has been trained on facilities cleaning protocols consistent with guidelines established by CDPH and CDC.

Use of Shared Items

The use of shared items will be minimized. High-touch shared items will be cleaned daily.

Hand Washing

Students and staff will be encouraged to follow all healthy hygiene practices including to wash hands frequently, use hand sanitizer when soap and water are not available, and to sneeze and cough into their arms.

Emerging Stronger. Together.

Ventilation at BHS

To increase the circulation of outdoor air, classroom windows will be opened when practicable. All classrooms are equipped with a MERV 17 HEPA Air Purification Units. Additionally, filter upgrade work for poor air quality index levels has been completed on existing HVAC systems to include MERV 13 filtration and Needlepoint Bi-Polar Ionization. Lastly, air quality monitoring systems are being installed in all classrooms, common areas and offices to monitor temperature, humidity, CO2 levels and for Volatile Organic Compounds (VOCs).

[More information about ventilation at BHS can be found here.](#)

Stable Groups

What is a stable group at Berkeley High School? At BHS, each class will be a stable group. These are fixed groups that will stay together throughout the summer school day and will not mix with other stable groups (other classes) while on campus. Stable groups will have assigned classrooms, restrooms and meal areas. We will limit the number of stable groups for students, as practicable.

Physical Distancing Students will be asked to maintain physical distancing while seated, and while moving through the campus.

BHS Summer School Expectations & Procedures

Parent/Caregiver Expectations

Daily Verbal At-Home Health Screening Parents/caregivers are expected to do a daily Verbal At-Home Health Screening before bringing their students to school. Do not send your student to school if they answer YES to any of the questions about symptoms and exposure.

Attendance In order to benefit from Summer School, it is important that your student attends everyday. If your student misses more than 2 days of Summer School, they may be dropped from the program.

Tardiness & Absences If your student is going to be late or absent, please contact the school before the start of class.

Student Expectations

Come ready to learn!

Behavior must take Covid Safety into account:

Indoor and outdoor mask wearing

Social Distancing

Single occupancy Bathrooms

Follow staff directions with a single reminder

Emerging Stronger. Together.

Student Social Emotional Health and Well Being

Counseling support will be provided by Jessie Levin, Jasdeep Malhi and Sophina Jones

Weeks 1-3

Jessie Levin

510-644-6208

jessicalevin@berkeley.net

Week 4-6

Jasdeep Malhi/Sophina Jones

510-644-8984

jasdeepmalhi@berkeley.net

sophinajones@berkeley.net

Students can access support from the health center by filling out this form

<https://cityofberkeley.jotform.com/203430685833052> or by calling the main line at 510-644-6965

Emerging Stronger. Together.

PUBLIC SCHOOLS
Berkeley Unified School District

Campus Supervision

While on campus, students will be supervised by staff to ensure they:

- Use hand sanitizer where available
- Wear an approved face covering
- Socially distance at the school entrance and in hallways
- Do not mix stable groups

Emerging Stronger. Together.

Breakfast & Lunch at BHS

Breakfast will be available from 8:00 am at the Breezeway between Buildings G & H. Lunch will be available from 11:25 am until 12:30 pm. Free grab and go bagged lunch will be available for pick up at the cafeteria window.

- Rising 9th graders staying for an afternoon class must stay on campus and can eat their lunch in the courtyard in front of Buildings G & H.
- Other BHS students staying for an afternoon class may leave campus and come back after lunch, or eat their lunch in the courtyard in front of Buildings G & H.
- Students that do not have an afternoon class may pick up a free grab and go lunch then must leave campus.

Emerging Stronger. Together.

BHS Campus Map***

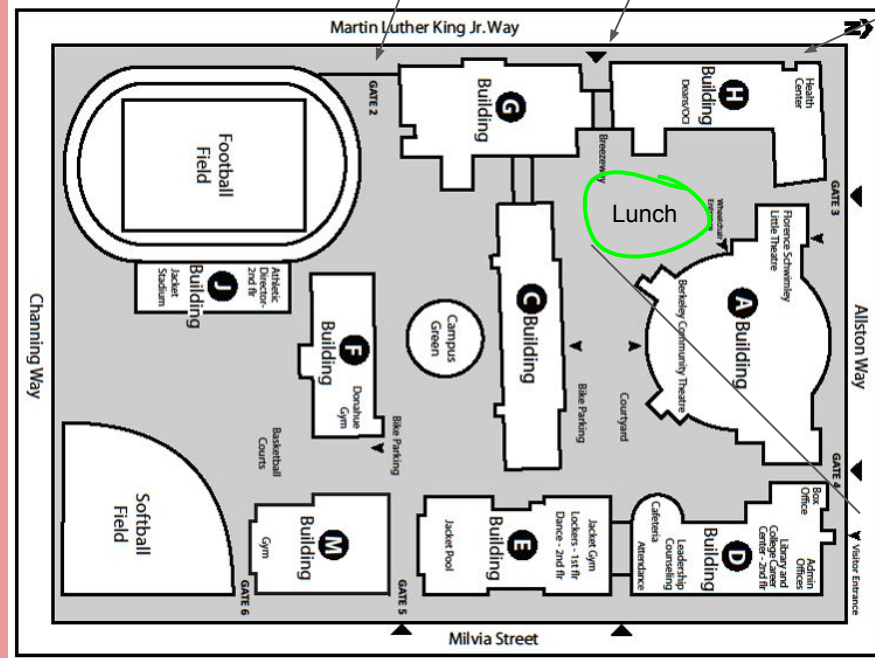

“Bancroft/MLK Gate” will be CLOSED.

“G/H Breezeway” Student Entrance +Exit

“H corner”
Additional Student Entrance
+ Exit

“Gate 3” will be CLOSED.

“A Gate” will be CLOSED.

Student entrances will open at 8:00 am.

Students will enter campus on MLK at the corner of Allston or breezeway between G and H.

Summer classes will be in the G & H buildings.

“Athletic Gate” will be CLOSED.

While the “M” gate is open, it is for STAFF ONLY

Isolation Room

G200 will be an “isolation room” for students who are presenting with possible Covid symptoms and need to go home.

- The student will be accompanied by a staff member to G200 where they will wait to be picked up by a parent outside of campus.**
- An Administrator will then follow up with student and family, and teacher if necessary, with next steps.**

G200 is off limits to all students and staff until further notice.
