## II. RECOMMENDATIONS & ASSURANCES

The School Governance Council recommends this BSEP School Enrichment Fund Plan and its related expenditures to the District governing Board for approval, and assures the Board of the following:

The Independent Study Program School Governance Council is correctly constituted, and was formed in accordance with District governing Board policy and local statute.

The Independent Study School Governance Council reviewed its responsibilities under state law (including the Greene Act), local statute (the Berkeley Public Schools Educational Excellence Act of 2016), and District governing board policies.

The Independent Study School Governance Council members do not have conflict of interest in making budget decisions regarding these categorical school funds. No one sitting on the Independent Study School Governance Council stands to benefit financially from any decision of the Council.

The Independent Study School Governance Council reviewed the content requirements for programs included in this Plan, and believes all such content requirements have been met, including those found in district governing board policies and the Berkeley School Excellence Program local tax measure.

This BSEP School Enrichment Fund Plan is based upon an analysis of student academic performance, as well as other benchmarks of student achievement. The actions proposed herein form a sound, coordinated plan to reach stated school goals to improve student academic performance by addressing the needs of the whole child.

This school plan was adopted by the Independent Study Program School Governance Council on May 10, 2021.
