

# IN-PERSON LEARNING CHECKLIST 2021-22

## BEFORE YOU RETURN

- Visit the [Campus Reopening Page](#) for important health and safety information.

Remind your child about how to stay safe at school:

- Wash and sanitize hands more often.
- Wear a face covering.
- Keep physical distance when eating and drinking.
- Tell an adult if they are feeling sick.

## STAYING SAFE

- Use [this list](#) to screen for COVID-19 symptoms every school morning.
- Keep your child at home if they have any COVID-19 symptoms. If your child is a close contact with an individual with COVID-19, please contact your principal to determine if your student can attend school or must quarantine at home.
- Take advantage of BUSD's free student COVID testing.

## WHAT TO BRING EACH DAY

- 2 Face Coverings\*
- Personal hand sanitizer\*
- Personal refillable water bottle

\* these items will also be available at school
