

2022 OPEN ENROLLMENT

Open Enrollment for 2022 benefits will be held from

September 20, 2021 – October 15, 2021 (CalPERS)

September 20, 2021 – October 20, 2021 (Dental/Vision)

During our Open Enrollment period, you have the opportunity to learn about your benefit choices and enrollment options for the upcoming plan year. It's also the time when we announce changes to the current plans for the upcoming plan year. Please review the 2022 Benefits Guide for information regarding the health benefits available to you. You can access the Benefits Guide via the District's MyBenefits Website at

https://pcms.plansource.com/entities/17465/pub_nodes/1019

The benefit elections you make during Open Enrollment will become effective January 1, 2022 and will remain in effect through December 31, 2022. You won't be able to make any changes to your benefits until the next open enrollment period unless you experience a qualified life event during the plan year.

Key Changes for 2022

To help you prepare, here are some of the key changes to our benefit plans.

- PPO Medical plans are changing – PERS Platinum and PERS Gold will replace the current plans.
 - Please refer to your 2022 Health Benefit Summary from CalPERS which can be obtained through your myCalPERS account or on the CalPERS website: www.calpers.ca.gov
- Premiums will change for the CalPERS medical and Delta Dental PPO plans.
- Vision will now be available to retirees. If you'd like to be enrolled in the District's vision plan, you must complete an enrollment form and submit this to the District by October 20, 2021. This is a one-time opportunity to enroll. If you are currently on vision through COBRA, you may transfer to the new retiree vision plan (same coverage) during this open enrollment by completing an enrollment form.
- Frame and Contact Lens allowances have increased from \$140 to \$180. Members will also be able to use their frame allowance toward non-prescription blue light filtering glasses or sunglasses.
