BUSD will continue to work with the press seeking to cover the school district to the best of our ability and in compliance with all public health orders and district safety protocols during the COVID-19 Pandemic.

Campus Entry

Due to the number of COVID-19 cases reported at BUSD schools since the start of the 2020-2021 school year, as well as safety protocols that do not allow for non essential visitors on campus and contact tracing challenges, at this time BUSD is not allowing the press to enter any district school.

Thank you for understanding and abiding by these rules. They are designed to protect our students, their families, our teachers and other staff during the COVID-19 pandemic.
