

Thank you for participating in the **Jan. 26th Community Engagement Listening Session**. We valued and appreciated your feedback.
Here are some of the key themes shared:

- Students bring strong assets
- The district has provided valuable resources to support students and keep them safe
- Parents want to know how to best support their students

- Social emotional support is a condition for student academic success
- The recommendations provide a pathway to improve student achievement
- There is a sense of urgency to improve student outcomes
