FREQUENTLY ASKED QUESTIONS

If I have other insurance, why do I need this coverage?

Our plans can expand your choice of providers for your child and high deductibles, high co-insurance and other cost-sharing obligations common to many of today's health plans.

If my child has no other insurance, what's my best buy?

Unless you need coverage for high school tackle football, the *Student Accident & Sickness Plan* is our broadest, best option. Next best is the *Full-Time 24/7 Accident Plan*.

Under the full-time plans, can I take my child to any doctor or hospital?

YES! However, your out-of-pocket costs could be less using a *First Health* contracted provider (see page 10). To find participating doctors/ hospitals nearest you, call **800-226-5116** or log on to www.myfirsthealth.com

If my child has a covered injury or sickness, will benefits for that same injury or sickness be extended if he/she re-enrolls next year?

Once maximum benefits have been paid or the benefit period ends (generally, from one to two years depending on the plan) no further benefits for that injury or sickness will be made. The *Dental Accident Plan* is the only exception. See this brochure for details.

Are accident-only rates paid every month?

NO! Accident-only rates are one-time charges for the entire School Year.

Does the School-Time plan cover camps and clinics sponsored and organized by groups other than my child's school?

NO! However, such camps and clinics may be covered under our *Full-Time 24/7* or *Student Accident & Sickness* plans. Call us for guidance!

Definitions

Accident means a sudden, unexpected and unintended incident. **Covered Accident** means an Accident that results in Injury or loss covered by the Policy. **Coinsurance** means the percentage of Covered Expenses after any Deductible is applied, that are payable under this Policy. **Covered Expenses** means expenses actually incurred by or on behalf of a Covered Person for treatment, services and supplies covered by the Policy. A Covered Expense is deemed to be incurred on the date such treatment, service or supply, that gave rise to the expense or the charge, was rendered or obtained. **Covered Loss** or "**Covered Losses**" means an accidental death, dismemberment or other Injury covered under the Policy. **Disappearing Deductible** means the dollar amount of Covered Expenses the Covered Person must incur before We pay any benefits. The Deductible may be satisfied by Other Valid and Collectible Insurance. The Disappearing Deductible is shown on the Schedule of benefits. **Emergency Sickness** means a Sickness of such a nature that failure to get immediate medical care could put the person's life in danger or cause serious harm to the person's bodily functions. **Injury** means accidental bodily harm sustained by a Covered Person that results directly from an Accident (independently of all other causes) and occurs while coverage under the Policy is in force. The Injury must be caused solely through external, violent and accidental means. All injuries sustained by one person in any one Accident, including all related conditions and recurrent symptoms of these injuries, are considered a single Injury. **Medically Necessary** or **Medical Necessity** means the services or supplies provided by a Hospital, Doctor, or other provider that are required to identify or treat an Injury and that, as determined by The Company, are: (1) consistent with the symptom or diagnosis and treatment of Injury or Sickness; (2) appropriate with regard to standards of good medical practice; (3) not solely for the convenience of the Covered Person; and (4) the most appropriate supply or level of service that can be safely provided. When applied to the care of an Inpatient, it further means that the Person's medical symptoms or condition requires that the services cannot be safely provided as an outpatient. The fact that a Doctor may prescribe, authorize, or direct a service does not of itself make it Medically Necessary or covered by the Policy. **Other Valid and Collectible Insurance** means any: 1) group plan, program, or insurance policy; 2) any other group hospital, surgical or medical benefit plan; or 3) union welfare plans or group employer or employee benefit programs. Other Valid and Collectible Insurance will not include benefits provided by the United States Social Security Act, any individual health insurance plans or any individual disability insurance plans. **School Activity** means any activity that is sponsored and supervised by the School. It does not include camps or clinics relating to athletics or cheerleading that are sponsored, controlled and, or organized by any non-School group. **Sickness** means an illness, disease or infection commencing while coverage under the Policy is in force. All related conditions and recurrent symptoms of the same or similar condition will be considered one Sickness. **Usual, Customary and Reasonable Charge** means the prevailing amount charged by most providers for treatment, service or supplies in the geographic area where the treatment, service or supply is provided.

Non-Duplication of Benefits (Excess Provision)

In order to keep premiums as affordable as possible, these plans pay benefits on a non-duplicating basis. This means, if a person is covered by one or more of these plans and by any other valid insurance or health agreement, any amount payable or provided by the other coverages will be subtracted from the covered expenses and we will pay benefits based on the remaining amount. (In Arizona: Does not apply to the Sickness-Only coverage under the Student Accident & Sickness Plan.)

IMPORTANT NOTICE: This brochure contains a brief description of the benefits available under the insurance programs. It is not a contract of insurance. The terms and conditions of coverage are set forth in the policies delivered in the state under form numbers AH-57720. Complete details may be found in the policies. CERTAIN INSURANCE PLANS DESCRIBED HEREIN PROVIDE SHORT-TERM LIMITED DURATION SICKNESS BENEFITS. THEY DO NOT CONSTITUTE COMPREHENSIVE HEALTH INSURANCE COVERAGE (OFTEN REFERRED TO AS "MAJOR MEDICAL COVERAGE") AND DO NOT SATISFY A PERSON'S INDIVIDUAL OBLIGATION TO SECURE THE REQUIREMENT OF MINIMUM ESSENTIAL COVERAGE UNDER THE AFFORDABLE CARE ACT (ACA). FOR MORE INFORMATION ABOUT THE ACA, PLEASE REFER TO WWW.HEALTHCARE.GOV.
