Board of Trustees  
Berkeley Unified School District  
Berkeley, California

We have conducted a performance audit of the Berkeley Unified School District Measure H of 2014 for the year ended June 30, 2022.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our conclusions based on our audit objectives.

Our audit was limited to the objectives listed on page 3 of this report which included determining that the District expended Measure H of 2014 funds for the year ended June 30, 2022 only for the purposes approved by the voters, in accordance with the requirements of the published election materials specifying the intended use of Measure H of 2014 proceeds. Management is responsible for Berkeley Unified School District's compliance with those requirements.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of Berkeley Unified School District to determine the audit procedures that are appropriate for the purpose of providing a conclusion on the District's compliance with the requirements of the published election materials specifying the intended use of Measure H of 2014 proceeds, but not for the purpose of expressing an opinion on the effectiveness of internal control. Accordingly, we do not express any assurance on the internal control.

The results of our procedures indicated that, in all significant respects, Berkeley Unified School District expended Measure H of 2014 proceeds for the year ended June 30, 2022 only for the purposes approved by the voters, in accordance with the requirements of the published election materials specifying the intended use of Measure H of 2014 proceeds.
