

Sylvia Mendez Elementary School Renovation Project

Sylvia Mendez Elementary School located at 2840 Ellsworth Street is embarking on a complete renovation and update of the campus. We are excited to invite our school partners and neighbors to update them on the design progress. Your input will help us build a school that will meet the needs of current and future students, families and educators, as well as contribute to the community's vitality.

We look forward to presenting you this update and answering questions. Accessibility, Fire Life Safety and Structural improvements are the primary focus of this project, including renovating the existing building and constructing additional classrooms.

Berkeley Unified School District schools are fortunate to have the strong support of the Berkeley community. The passing of Measure G in March of 2020 will continue funding for the next 10 years to ensure our schools are safe and modern.

Public meetings will be held virtually. In case you are not able to attend the virtual meeting, you can also provide us with your feedback via email at: capitalprojects@berkeley.net.
