Amendments

Page 7, "Ethernet Cabling Requirements", paragraph 1 is amended from:

"Provide and install CAT6A cabling, patch panels, jacks, faceplates, and needed items. Perform pulls, create pathways if existing pathways are insufficient, add wall ports and faceplates, and complete terminations to each of the room locations listed in the Ethernet spreadsheet below. All network drops shall consist of Category-6A cable, jacks, and patch panels."

To read:

"Provide and install **plenum-rated** CAT6A cabling, patch panels, jacks, faceplates, and needed items. Perform pulls, create pathways if existing pathways are insufficient, add wall ports and faceplates, and complete terminations to each of the room locations listed in the Ethernet spreadsheet below. All network drops shall consist of Category-6A cable, jacks, and patch panels."

Page 8, "Ethernet Cabling Requirements", bullet point 13 is amended from:

- "Each WAP CAT6A dedicated network riser cable shall be white in color."

To read:
